

Cultivating Practices to Support Language Learner Success eWorkshop

September 2018 – May 2019 | Times: TBD

Designed for teacher-leaders, principals, facilitators, and coaches in K-12 educational systems.

This eWorkshop is designed to support facilitators in leading a committed group of educators through 16 one-hour sessions. The sessions are designed to support educators in using instructional practices that advance English language development and academic achievement through the WIDA English Language Development Standards and the Can Do Philosophy.

This eWorkshop Includes

- A Facilitator Guide, which includes a detailed script and annotated handouts
- Supporting documents and handouts for participants
- PowerPoint slides for 16 one-hour sessions over eight months

Requirements

- One-two hours to attend or view WIDA webinar
- One-two hours to prepare your professional learning session
- Two hours to facilitate your professional learning sessions in your school or district
