Wyoming Classroom Connectivity Initiative

PROGRAM OVERVIEW

Working together to upgrade all schools

In 2016, the Wyoming Governor's Office, Wyoming Department of Education, Wyoming Department of Enterprise Technology Services, and the national non-profit EducationSuperHighway partnered to launch the Wyoming Classroom Connectivity Initiative to support increased access to strong internal networks.

**Education
SUPERHIGHWAY**

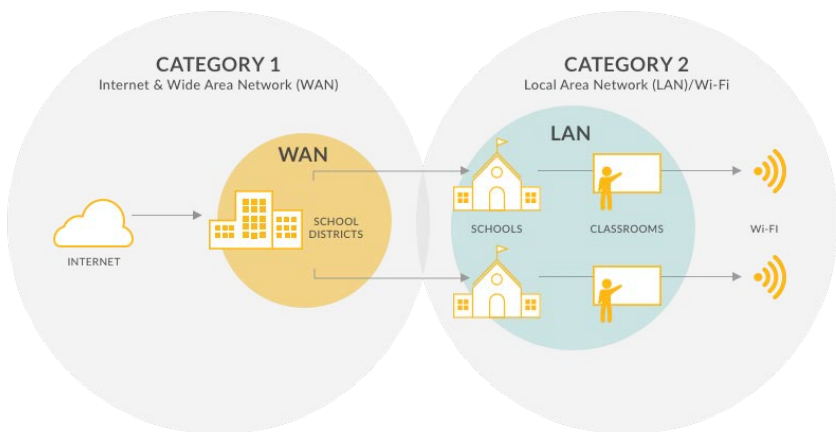

School district Wi-Fi upgrade projects

School district leaders now have access to resources and technical assistance that support Wi-Fi upgrades to meet the growing demands of technology in the classroom. All tools and resources are provided at no cost to Wyoming school districts.

- ▶ We **discuss a plan** to utilize your existing E-rate Category 2 budget based on your district's current infrastructure and future needs.
- ▶ We help you **develop your Form 470 / RFP strategy** and build a business case.
- ▶ We assist you in **working with Value-Added Resellers (VARs)** to get bid responses and procure a solution.
- ▶ We **support implementation** of your new internal infrastructure.

What is covered by Category 2 funding?

BENEFITS OF WORKING TOGETHER

School district Wi-Fi upgrade projects with EducationSuperHighway are provided free of charge to school districts committed to upgrading their networks for digital learning. Strong internal networks coupled with high-speed broadband can personalize learning for students, empower teachers, connect parents, and ensure equal educational opportunity for all.

EducationSuperHighway is the leading non-profit focused on upgrading the Internet access in every public school classroom in America. We believe that digital learning represents an unprecedented opportunity to provide every student with equal access to educational opportunity and that every school requires high-speed broadband to make that opportunity a reality.
