BOCES SURVEY REMINDER

Last November, the Wyoming Department of Education (WDE) gave a presentation to the Wyoming Association of School Administrators regarding the information being collected on existing BOCES/BOCHES entities in Wyoming. [The form](#) that was handed out in November requested information including how many BOCES agreements exist in each district, the purpose of each one, and how it benefits districts to work with a BOCES. The WDE also requested a copy of each BOCES agreement. This request is part of the WDE's efficiency study, and the information will be helpful to streamline WDE and BOCES services.

Those who have not completed the survey or sent the WDE their BOCES agreements should contact Susan Lopez (North Central Comprehensive Center) at 720-272-7409 or slopez@mcrel.org.

For questions, or more information, contact Trent Carroll at 307-777-7720 or trent.carroll@wyo.gov.
