AP COURSE INFORMATION AND TRAININGS

In order to prepare Wyoming school districts for new processes and resources coming to AP® in the 2019-20 school year, the College Board will offer a series of training opportunities for AP coordinators throughout the year. The professional development opportunities will help AP Coordinators manage the new fall exam registration and ordering deadlines.

Visit the [Online Training Sessions](#) page, where coordinators can currently watch an on-demand operational overview webinar about the new systems, processes, and timelines. Additional live and on-demand webinars will be added to the Online Training Sessions page on an ongoing basis to ensure that districts will have a smooth transition to new requirements this fall.

There are two resources to help schools plan and prepare for the AP 2019-20: A [brochure](#) explaining the changes, and a helpful [checklist](#) for principals to follow.

For more information about the changes, visit collegeboard.org/ap2019.
