Principals

**FROM:** Kari Eakins, Chief Policy Officer

**DATE:** August 26, 2019

**SUBJECT:** Threat Assessment Survey

## TIME SENSITIVE: SURVEY CLOSES ON SEPTEMBER 23

The Wyoming Department of Education has released a [Threat Assessment Survey](#) in order to gather information regarding steps Wyoming schools are currently taking to evaluate risks related to school violence. The survey is open until September 23, 2019.

A threat assessment is a process that was developed by the U.S. Secret Service and is intended to assess any risk posed by a student or other person, typically in response to an actual or perceived threat.

The survey should take about 15-20 minutes to complete, and the results will be shared during the [State Superintendent's Policy Summit](#) pre-conference on September 30.
