FREE CASPER-STAR TRIBUNE ACCESS TO CELEBRATE 150TH ANNIVERSARY OF WOMEN'S SUFFRAGE

To mark the 150th anniversary of women's suffrage in Wyoming, the Casper Star-Tribune will begin publishing weekly profiles of more than 40 historic and contemporary Wyoming women. As part of this initiative, they are offering a free one-year digital subscription to teachers to access the profiles.

The profiles, which will begin this month, focus on the characteristics of the women that drove their success. The stories of the incredible state and national accomplishments of current and past female leaders will inspire all who read. The women profiled include historic figures, politicians, business leaders, artists, educators, athletes, and more.

The process to select the profile subjects was a collaboration between the Casper Star-Tribune news staff and representatives from the WDE, the Governor's Council for the Wyoming Women's Suffrage Celebration, the University of Wyoming Department of History, and a sponsor representative.

The subscriptions are available immediately by forwarding this email to CAS-GL-Circulation@lee.net with your name, email address, and telephone number.

Teachers may use this free subscription in their classrooms, and in December 2020 receive a compilation of all the profiles.
