## ISTE LEADERSHIP TO ATTEND THE 2019 WYOMING INNOVATIONS IN LEARNING CONFERENCE

Members of the The International Society for Technology in Education (ISTE) leadership will attend the 2019 Wyoming Innovations in Learning Conference, set for Nov. 5-8 at the Cam-Plex in Gillette. With a strong focus on digital learning, ISTE inspires the creation of solutions and connections that improve opportunities for all learners.

The [ISTE Standards for Students](#) describe the skills and knowledge students need to thrive, grow, and contribute in a global, interconnected, and constantly changing society. The Wyoming Department of Education (WDE) will partner with an ISTE authorized provider to offer Wyoming Educators the ISTE Certification for Educators training. More information about this training opportunity will be announced at the welcome session of the Innovations Conference, which begins on Nov. 6.
