Principals  
Technology Coordinators  
Virtual Education Coordinators

**FROM:** Shelley Hamel, Chief Academic Officer

**DATE:** November 12, 2019

**SUBJECT:** Wyoming Digital Learning Guidelines Now Released

## WYOMING DIGITAL LEARNING GUIDELINES NOW RELEASED

The Wyoming Department of Education (WDE) has released its Wyoming Digital Learning Guidelines to support education technology use in K-12 classrooms. The guidelines are an initiative from the statewide [Digital Learning Plan](#) and are based on the [ISTE Standards for Students](#). While the guidelines may be used across all content areas, implementation is voluntary.

To support educators in implementing the guidelines in the classroom, the WDE will offer a free online course that features:

- Self-paced, interactive modules in the Canvas learning management system.
- One-half (.5) Professional Teaching Standards Board (PTSB) credit available upon completion.
- Open enrollment, so educators can join the course at their convenience.
- Registration at the [Wyoming Digital Learning Guidelines](#) web page.

The guidelines are available as a [Printable PDF](#) or a printed booklet.

*For more information, or to request a printed booklet, contact Lori Thilmany at 307-777-7418 or [lori.thilmany@wyo.gov](mailto:lori.thilmany@wyo.gov).*
