PERKINS V WYOMING STATE PLAN PUBLIC COMMENT PERIOD

The Wyoming Department of Education (WDE) seeks public comment on the proposed Wyoming [state plan](#) for the Strengthening Career and Technical Education for the 21st Century Act (Perkins V). The act provides federal funding for secondary and postsecondary career and technical education in Wyoming. The 2019-20 federal award to Wyoming is \$5,037,372. To receive these funds, Wyoming must submit a plan for Wyoming Career and Technical Education (CTE) for the next four years.

The Perkins V State Advisory Council of stakeholders was formed to propose guidelines and performance assessment targets for school districts and community colleges receiving Perkins funds in order to provide student learners with high quality educational and work-based learning opportunities.

Public comment on the proposed plan is open through January 3, 2020. Comments may be submitted [online](#) or mailed to:
