2019-20 ACT FEE WAIVER AVAILABLE

During the 2019–20 school year, ACT will again offer the ACT® test fee waiver program to eligible students. While all Wyoming students will continue to take the ACT with writing in grade 11, many economically disadvantaged students are not able to retake the ACT because of the associated fees. Information on eligibility requirements and how to order a fee waiver for an eligible student is available [here](#).

The ACT fee waiver covers the registration and late fees for either the ACT (no writing) or the ACT with writing. The waiver covers one report to a student’s high school, and up to six college choices (at the time he or she registers). After registration, the student can request up to an additional 20 regular score reports for free. Students registering with a fee waiver will also receive free access to ACT® Rapid Review™— All Access and ACT® Online Prep™.

Additional information on support materials for students is available [here](#).
