COVID-19 RESOURCES AVAILABLE

The Wyoming Department of Education (WDE) is working closely with the Wyoming Department of Health (WDH) and other agencies to monitor COVID-19 (commonly called coronavirus) activity. In response, the WDE now has a web page at edu.wyoming.gov/coronavirus dedicated to providing schools with up-to-date information, resources, and guidance regarding COVID-19 including:

- Student attendance.
- Temporary School Closures.
- Statewide Assessment.

School districts should work directly with their local community health department and the WDH to establish protocols to control the spread of COVID-19 and educate their employees and students on prevention.

As a precaution, the WDE recommends school districts consider canceling, postponing, or offering virtually any non-essential extra curricular activities.

For more information on COVID-19, contact the Wyoming Department of Health at wdh.covid19@wyo.gov.
