## ACCREDITATION PEER REVIEW TRAINING MAY 6, 2020

The Wyoming Department of Education (WDE) will host an accreditation training session from 9-11 a.m. on **May 6, 2020** via the Zoom online platform.

Registration is available [here](#). The training will develop a shared understanding among participants regarding the on-site review process. Originally intended to be held regionally where peer reviews will be held the following fall, this year's training is being held virtually statewide. Additional information relevant to the training, including the Peer Review Workbook, can be found on the WDE [Accreditation page](#).

The training is open to superintendents, central office administrators, building principals, and teachers selected or approved by the district. Attendees will be eligible to participate as members in future on-site peer review teams.

Registration closes **May 4, 2020**.
