## CALL FOR VIRTUAL PROPOSALS: 2020 WYOMING INNOVATIONS IN LEARNING CONFERENCE

The Wyoming Innovations and Learning Conference will go virtual this year, with the entire conference offered online. The Innovations conference seeks session proposals from educators in kindergarten through postsecondary education that will be delivered in an online format, yet engage the audience. The Innovations Planning Committee would like presenters from all fields who are willing to share their ideas and experiences to help inspire educators to bring the best teaching practices to K-20 learning.

The fourth annual Wyoming Innovations in Learning conference is set for November 5-6, 2020. Proposals can be submitted [here](#) and will be accepted through June 19, 2020. Selected presenters will be notified of their inclusion in the conference by June 30, 2020, and will receive free registration for the conference.

This conference is hosted by the Wyoming Department of Education, the Wyoming Distance Education Consortium (WyDEC), the University of Wyoming, the Wyoming community colleges, the Wyoming State Library, school libraries, and the Wyoming Arts Council.
