CALL FOR EMERGING LEADERS IN EDUCATION

The Wyoming Department of Education (WDE) seeks emerging leaders in education. The WDE would like to engage these emerging leaders in work groups, focus groups, advisory groups, grant readers, etc.

Emerging leaders should be educators who are early- to mid-career who can offer strong leadership and professional development. In addition, emerging leaders should be educators whose accomplishments and leadership reach beyond the classroom and provide models of excellence for the profession. Educators in public, private, parochial, charter, and U.S. Department of Defense schools are eligible.

Consider submitting the name of an emerging education leader by completing this recommendation [form](#). Recommendations must be submitted by **July 2, 2020**.
