2021 WYOMING INNOVATIONS IN LEARNING CONFERENCE DATES SURVEY

In an effort to reach as many educators as possible, the Wyoming Innovations in Learning Conference will consider moving the conference to new dates during the 2021-22 school year. To help select the best time, the Innovations Planning Committee requests that educators from kindergarten to higher education complete this [two-question survey](#) by **June 30, 2020**. Wyoming Department of Education staff requests that you forward this memo to your teachers and staff.

Join us virtually for the [2020 Innovations Conference](#) on November 5-6, 2020.
