SUBJECT: Perkins V In-State Institution Grant

PERKINS V IN-STATE INSTITUTION GRANT

The Wyoming Department of Education (WDE) has released the Perkins V In-State Institution Grant. This grant is funded through the Carl D. Perkins Act of 2006 in a formula grant award to support Career & Technical Education (CTE) at the secondary and post-secondary levels. The WDE sets aside a portion of this funding to "...serve individuals in State institutions, such as State correctional institutions and institutions that serve individuals with disabilities." (Perkins Act of 2006 by the Strengthening Career and Technical Education for the 21st Century Act also known as Perkins V, Sec. 124(a)(1)(B)). Funding for CTE programs made available under this grant shall supplement, and shall not supplant, non-federal funds expended to carry out CTE activities (Perkins Act of 2006 by the Strengthening Career and Technical Education for the 21st Century Act also known as Perkins V 124 (a)(1)(B)).

This application is for eligible In-State Institutions that are interested in starting or improving an innovative CTE or career development program. Applications will be reviewed and scored by a grant review committee. Award amounts will be equal to or less than \$10,000. There will be five grants awarded. The deadline for submissions is September 1, 2020.

Grants will be awarded on October 1, 2020. All funds must be expended by June 30, 2021.
