HEALTH ISSUES COVID-19 GUIDANCE FOR SCHOOLS: WHAT TO EXPECT IF A STUDENT OR STAFF MEMBER HAS COVID-19

The Wyoming Department of Health has created a guidance [document](#), as well as an [infographic](#), for school districts regarding what to expect if a student or staff member tests positive for COVID-19 within an educational institution.

Wyoming Department of Education staff is asking district superintendents to share out this information as widely as deemed appropriate. The infographic was designed with the public in mind, so school districts can freely share with parents and the public.
