MEMORANDUM NO. 2020-140

TO: School District Superintendents
School Principals
New CTE Teachers

FROM: Shelley Hamel, Chief Academic Officer

DATE: August 31, 2020

SUBJECT: New CTE Teacher Orientation

REGISTRATION NOW OPEN FOR NEW CTE TEACHER ORIENTATION ON SEPTEMBER 19, 2020

The Wyoming Department of Education (WDE) invites all new Career and Technical Education (CTE) educators to a virtual New CTE Teacher Orientation on September 19, 2020. This orientation will be useful to any CTE teacher who has been teaching in Wyoming for fewer than three years. The WDE aims to increase the retention rates of CTE teachers and strengthen programs of study in Wyoming school districts. CTE teachers are essential to the future success of our students, as well as Wyoming's workforce. District programs prepare students today to become tomorrow's future business and community leaders. It is vitally important that everyone understands the ever-changing relevant knowledge and skills needed in the current workforce.

This orientation is a great way to learn about:

- Professional organizations.
- Funding opportunities.
- Programs of study and concentrators.
- And more.

Join the WDE virtually for the CTE New Teacher Orientation from 8 a.m. – noon on Saturday, September 19, 2020. Prior to the training, registrants will receive an agenda and a link to the Zoom online platform.

Register [here](#).

Each attendee must complete their own form. The WDE can accept only one attendee per registration.
