Teachers

FROM: Kari Eakins, Chief Policy Officer

DATE: September 14, 2020

SUBJECT: Professional Development Opportunity for Teachers

REMOTE LEARNING PD OPPORTUNITY FOR TEACHERS

The Wyoming Department of Education is sponsoring a professional development opportunity for Wyoming educators focused on remote teaching and learning strategies. The TeachUNITED Leveraging Blended Learning Fast Track for Wyoming includes a September webinar that will cover immediate tools teachers need for a blended or remote school year environment. An online micro-course to be completed in October or November will follow, and will reinforce implementation of the initial tools and introduce additional strategies. Registrants will have a choice of dates and times for the two-hour webinar in September. The five-hour online coursework to be offered and completed in October or November will be primarily asynchronous and self-paced to ensure compatibility with teacher schedules.

The Leveraging Blended Learning Fast Track [registration](#) is available on a first-come, first-serve basis and the seven-hour training meets the requirements for a Wyoming Professional Teaching Standards Board approved virtual education workshop.
