CHAPTER 20 PUBLIC COMMENT: RULES FOR THE PUPIL TRANSPORTATION COMPONENT WITHIN THE EDUCATION RESOURCE BLOCK GRANT MODEL

The Wyoming Department of Education (WDE) is promulgating changes to the Chapter 20 Rules regarding the Rules for the Pupil Transportation Component within the Education Resource Block Grant Model.

Due to the extraordinary crisis beset upon the State of Wyoming brought on by COVID-19, the Department of Education is seeking a regular promulgation of what have been emergency rules to accommodate reimbursement of transportation services related to student needs including delivering meals or instructional materials during emergency situations. These measures are being taken in order to be proactive in addressing similar situations as we move into the future.
