SUBJECT: Roadtrip Nation Application Deadline

ROADTRIP NATION APPLICATION DEADLINE OCTOBER 4, 2020

Next spring, the Wyoming Department of Education's Career and Technical Education (CTE) team will partner with career exploration organization [Roadtrip Nation](#) to send young people in Wyoming on an adventure to explore career paths in the state's most exciting high-growth industries. Traveling across the state, selected students will talk to people driving Wyoming's most innovative industries who can offer students the advice they need for building fulfilling careers of their own.

With an emphasis on industries that are adapting to a changing world — including healthcare, manufacturing, outdoor recreation, technology, and more — students will discover the jobs of the future in their own backyard. And students on the trip won't be the only ones who benefit. The experience will be filmed and turned into educational career exploration content so that students and young people can see the exciting innovations taking place within the state, and how they're driving Wyoming forward.

Applicants, ages 18-24, can apply [here](#) by October 4, 2020.

School personnel are encouraged to share this information with any Wyoming youth who could use some insight or inspiration for their future.
