## MEMORANDUM NO. 2020-188

**TO:** School District Superintendents  
Title I Grant Managers  
Principals

**FROM:** Shelley Hamel, Chief Academic Officer

**DATE:** December 21, 2020

**SUBJECT:** Release of 2019 Census Data for FY21 Title I, Part A Allocations

---

## 2019 CENSUS DATA FOR FY21 TITLE I, PART A ALLOCATIONS

The U.S. Department of Education has released estimated census data for calculating Title I, Part A allocations for local educational agencies (LEAs) for fiscal year 2021 (school year 2021-22).

This [memorandum](#) explains the purpose of the census data and the process used to determine LEAs eligibility and allocations. Census data information for 2018-2019 is provided [per state](#) and 2019 census poverty data is provided for each Wyoming [school district](#). LEAs review of the 2019 poverty data is important because this is the information used to determine eligibility and 2021-22 allocations for each LEA. LEAs are encouraged to verify the accuracy of the district boundary survey [here](#).

The U.S. Census Bureau established a challenge period for reviewing this data. For information on how to challenge the data, contact the Small Area Income and Poverty Estimates Branch at 301-763-31983 or [sehds.saipse@census.gov](mailto:sehds.saipse@census.gov). When sending an email, include your name, mailing address, telephone number, and organization affiliation. Additional information on the Census Bureau's challenge procedure is available [here](#). The challenge period ends March 8, 2021.
