APPLICATIONS FOR PLC AT WORK® COHORT OPEN THROUGH FEBRUARY 19

The Wyoming Department of Education (WDE), in partnership with Solution Tree, is continuing the Professional Learning Communities (PLC) at Work® Initiative. Leadership teams will be trained on the PLC process in order to support schools in the implementation with fidelity. This initiative, which may cover a period of up to three years, requires selected schools to participate in the following:

- On-site needs assessment.
- PLC leadership coaching academies.
- Web-based conferencing and support.

The application period for Cohort #3 is now open. This cohort will include the selection of up to 12 schools. Schools that wish to be considered should complete and submit the [application](#) by February 19, 2021. Schools not selected to participate in the WDE-funded cohort can self-sponsor in order to join the cohort.
