SUBJECT: Digital Learning Plan Survey

DIGITAL LEARNING PLAN SURVEY

The Wyoming Department of Education seeks input for the development of the 2022-26 Wyoming Digital Learning Plan from school and district staff. The Digital Learning Plan is a statewide education technology plan addressing professional development, curriculum integration, and internet connectivity to provide equal access to educational opportunities to all students. The input collected on the surveys will directly impact the Digital Learning Plan goals to support school's and district's digital learning needs over the next five years.

The survey will close on April 16, 2021 and can be accessed through the following links:
