Career and Technical Education Coordinators
Technology Coordinators
Assessment Coordinators
Principals
Virtual Education Coordinators

FROM: Kari Eakins, Chief Policy Officer

DATE: August 30, 2021

SUBJECT: Call for Innovations Showcase Sessions

CALL FOR INNOVATIONS SHOWCASE SESSIONS

The [Wyoming Innovations in Learning Conference](#) seeks educators to showcase creative and novel practices in the Innovations Showcase. The Innovations Showcase will be presented virtually at the conference from 11:30 a.m.- noon on September 30.

During the 30-minute Showcase sessions, presenters will have 3-5 minutes to present about the innovation that they are showcasing (can be pre-recorded) followed by an interactive question and answer forum for the remaining time. In addition, the Showcase session will need a 1-2 minute preview video that will be added to the conference page to promote the session prior to the start of the conference.

Districts, educators, and/or students interested in being highlighted should complete this [application](#) by September 15, 2021. There are five Showcase session spots available. Selected applicants will be notified by September 17, 2021 and preview videos are due September 24, 2021.

For more information, contact Robin Grandpre, Project & Performance Manager, at 307-777-5315 or robin.grandpre1@wyo.gov.
