# JUDICIAL LEARNING CENTER OPEN FOR SCHOOL TOURS

The [Judicial Learning Center of Wyoming](#) serves to engage and inspire visitors of every age to learn about the state’s judicial branch and discover the important role it plays in the life of Wyoming’s citizens.

Located in the Wyoming Supreme Court Building in Cheyenne, the center utilizes an interactive learning environment that brings Wyoming’s colorful judicial history to life. It is a thought-provoking experience that provides visitors insight into the rule of law and the ways in which it protects and preserves our freedoms and rights.

A number of interactive activities are available online, including *You Be the Judge*, *Hear from a Judge*, *Wyoming’s Court Systems*, and *Applying the Rule of Law*.
