SUBJECT: Call for Proposals: 2022 Wyoming Computer Science Education Conference

REGISTRATION AND CALL FOR PROPOSALS 2022 WYOMING COMPUTER SCIENCE EDUCATION CONFERENCE

The Computer Science Teachers Association Wyoming (CSTA WY) and the Wyoming Department of Education are partnering to host the inaugural Wyoming Computer Science Education Conference. The conference seeks engaging session proposals from educators in kindergarten through postsecondary education. This conference will be held in-person. The Conference Planning Committee seeks educators from all backgrounds and disciplines to share ideas, experiences, and demos to inspire and connect educators to bring the best teaching practices and lessons learned to Computer Science education.

The Wyoming Computer Science Education Conference is set for July 21-22, 2022 at Central Wyoming College in Riverton. Registration will begin later this month, and continue until July 20.

Submit a proposal now through April 1, 2022. Selected presenters will be notified of inclusion in the conference by April 15, 2022, and will receive free registration.

Additional Computer Science training opportunities are available this summer; for more information go to www.uwyo.edu/wyics/.
