CALL FOR PRESENTERS: 2022 EMBRACING LITERACY CONFERENCE

The Wyoming Department of Education (WDE) seeks presentation proposals for the third annual Embracing Literacy Conference, which will be held virtually in July 2022. The conference focuses on the science of reading and is open to educators across Wyoming and beyond. The conference has been a huge success with more than 500 attendees each of the past two years.

The conference will cover topics ranging from phonemic awareness and vocabulary to comprehension and writing. The WDE plans to offer three session slots per day on Tuesdays and Thursdays from July 5 to July 21. Presenters willing to share their knowledge, expertise, and experiences, to teach and inspire educators in developing their knowledge and classroom skills in the area of literacy, are welcome to provide a proposal.

Session proposals will be accepted through April 1, 2022. Selected presenters will be notified of their inclusion in the conference by April 15, 2022. Stipends will be awarded for all presenters, in addition to free registration to the full conference.
