MEMORANDUM NO. 2022-062

TO: School District Superintendents
School Principals
Perkins Coordinators
CTE Teachers

FROM: Shelley Hamel, Chief Academic Officer

DATE: May 9, 2022

SUBJECT: Perkins V Professional Development Grant

PERKINS V FUNDED PROGRAM OF STUDY PROFESSIONAL DEVELOPMENT GRANT OFFERED

The Perkins V Funded Program of Study Professional Development Grant may be used to send one or more Career and Technical Education (CTE) professionals to a state or national conference, training or technical assistance related to innovation in CTE, developing career pathways, integration of academics and CTE, federal accountability and reporting requirements for Perkins, or that may result in an industry-recognized credential for the educator. The grant can be used to bring a speaker or trainer to your school or college to facilitate a CTE content-specific training (training must not be one-day or short term). Training must be open to other CTE educators in the state to attend. All costs must be directly tied to the CTE program, as approved in the local Perkins application plan.

This is a competitive grant and recipients will be awarded up to \$2,500, based on a rubric scoring after the grant closing date. Each grantee must apply separately. The recipient will be reimbursed per an agreement with their district/institution unless otherwise requested. This application will be open for submission until midnight on July 31, 2022.

All professional development opportunities must have a start date later than the effective date of the fully-executed agreement. Funds need to be expended and travel completed prior to June 30, 2023. Grant recipients will be responsible for dissemination no later than June of 2023.

Apply for the Perkins V Professional Development grant [here](#).
