CONFIDENTIAL SCHOOL PERFORMANCE RESULTS TO BE RELEASED

The Wyoming Department of Education (WDE) will confidentially release the 2021–22 state and federal accountability results to school districts on Monday, August 22, 2022. Districts will be given until **Friday, September 2**, to review the reports. District Superintendents are asked to verify [online](#) that they have received and reviewed the data.

District personnel should take this opportunity to review their school performance results for accuracy. While data sets that were provided to the WDE by the district or obtained from providers and contractors cannot be changed or corrected at this time, questions about indicators and accountability calculations are welcomed and will be addressed by the WDE in an appropriate manner.

The confidential accountability reports will be provided through the WDE’s secure District Data Reports portal on the Data and Reporting page of the WDE website. To access these reports, go to the WDE’s [Data and Reporting page](#), and under the Data Reports header on the left side of the page, click on the [District Data Reports link](#). The confidential portal will default to the Assessment Confidential tab, and the confidential accountability reports can be found by clicking on the

Accountability Confidential tab to the right. The 2021-22 confidential School Performance Reports are located on the left side of the page.

Once the review window has closed, and applicable corrections have been approved, the final school-level results will be confidentially released to districts at least 24 hours before the public release. The public release is scheduled for 11 a.m. on September 14. All results are **embargoed** and cannot be shared with Wyoming's local media outlets until they are released publicly on September 14.

Individuals with the following roles on the WyEd platform can access the reports: Superintendent, Principal, Assistant Principal, Accountability Coordinator, Assessment Coordinator, Curriculum Coordinator, Special Education Director, and Assessment Confidential Reports. Those who do not have rights to see the report or have forgotten their WyEd login credentials can contact their district WyEd administrator. District WyEd administrators can be found by clicking on the [Find WyEd Administrator](#) link.
