MEMORANDUM NO. 2014-091

TO: School District Superintendents
School Principals
District Board Chairs

FROM: Bruce Hayes, Ed.S., School Safety Consultant
Support Systems and Resources Division

DATE: August 4, 2014

SUBJECT: Suicide Prevention Training

PUBLIC AVAILABILITY OF SUICIDE PREVENTION TRAINING

CHEYENNE - As a reminder, W.S. 21-3-110(a)(xxxiii) reads in part, "...Suicide prevention education may consist of self-review of approved suitable materials. The board shall make all suicide prevention education materials and classes available to interested community members."

The statute is silent on how to make materials available to the public, so it is up to each district to decide on how that may occur.

For more information or for the list of approved suicide prevention training programs go to <http://edu.wyoming.gov/download/communications/supts-memos/2014-087-suicide-prevention-programs.pdf>
