MEMORANDUM NO. 2014-101

TO: School District Superintendents
School Principals

FROM: Bruce Hayes, Ed.S., School Safety Consultant
Support Systems and Resources Division

DATE: September 2, 2014

SUBJECT: School Safety Anonymous Tip Line (WeTip)

ANONYMOUS TIP LINE TOOLS

This year, the shipments of anonymous tip line posters and brochures will be arriving at the district offices directly from WeTip shortly after Labor Day.

Please ensure the posters and brochures are distributed to the schools. It is intended that each classroom has a poster in it to facilitate anonymous calls that may impact school safety.

It is important to make sure that all administrators, staff, and students know of the **1-800-78-CRIME** anonymous tip line. Encourage them to use this resource if they know of danger or criminal activity. Posters and brochures should be displayed in easy-to-see locations.

Thank you for your efforts to keep students safe this coming school year.

If you have any questions, or would like to request additional posters please contact Bruce Hayes at bruce.hayes@wyo.gov or 307-777-6198.
