Persistence Rates by Institution and Scholarship Level

Statutory Reference: 21-16-1308(c)(iii)

Persistence Rate means for each cohort of students, receiving Hathaway Scholarships in a given fall or spring term, the proportion continuing to receive Hathaway Scholarships the following fall term at any eligible institution. This report shows the count and percentage of Hathaway students continuing to receive the scholarship in fall-09. It excludes students who reached 48 hours at a community college and did not continue their education at the University of Wyoming, and students who received a certificate or degree during the 2008-09 school year. A student not receiving the scholarship in fall-09 does not necessarily mean he/she did not enroll.

Students are assigned to the last institution they attended.
