Continued Review of Educational Resources in Wyoming (CRERW), 2005-06 through 2012-13

How to access the report:
Click on this link: https://portals.edu.wyoming.gov/Reports/Public/wde-reports-2012/finance/crerw-v2

To access the report from the Wyoming Department of Education homepage click on Data Reports see arrow below. Click on this link to get to the WDE’s homepage. http://edu.wyoming.gov/
Click on the link “CRERW Report” to navigate to the report. See black arrow below as an example.
How to navigate the report:
The report opens to the Title page (See below). The Document Map is located on the left side of the report (See red arrow). This Document Map lists the page links of each section in the report. Click on the desired link to be sent to a particular section.
For example, Average Daily Membership Table I-1, looks like this:

At any time you can return to the Main Page by clicking on the “CRERW Report” link at the top of the Document Map.
To filter within the report:
You can customize and filter the data displayed within each section and subsection of the report. The elements that are available to customize will depend on the data that is contained within each chart and figure. To customize a chart or figure, select the drop down list from the top of the screen. You can select single or multiple values by clicking on the box to the left of the list item. If you would like to see all years available, click on the “Select All” button at the top of the list.

Once desired selection is made, click “View Report” at the top right of the screen and the report will refresh back to the Title Page. Navigate to the desired report again in the Document Map to view it again with your selected values. To move forward or backward one page, use the blue arrows above the document map. All the tables and figures within each section will reflect your selected values.
To export portions of the report:
Select desired section or page. For example, Average Daily Membership, and click on the Export (looks like a disk with a green arrow) function. Select the format from the list of available options.
If excel is chosen, the entire report will be generated in an excel workbook. The first worksheet will contain the Document Map. To view the pages included in a specific section, expand the section by clicking the “+” in the blue area to the right of the section name. Then, click the name of desired page you would like to view.
