**A semester of MATH 0930 and College Prep Math equals a full year of content for the 12-13 school year. For the 13-14 school year, MATH 0930 is a full year long class.											
All college courses (NWC) equals a full year of content in a semester.											
The 0930, 1400, and 1450 courses are taught at the high school.											
Part 1 and Part 2 must both be taken to receive Hathaway Credit.											
FVS is Florida Virtual School and their courses have full descriptions if you need them.											
Algebra III and NWC Intermediate Algebra are approved for Powell High School and are offered for the alternative school as well so they are the same courses.											
Algebra 1A is the first part of a two part class to cover Algebra 1. The first part will help count for the four years of math but the two courses Algebra 1A and Algebra 1B must be taken to cover the Algebra 1 requirement.											
WDE Comments: 1 semester of NWC MATH 0930 (Intermediate Algebra) counts for a 1/2 credit of Additional Math. For the 14-15 SY, there are 2 semesters of MATH 930. Together, they will equal 1 additional math.
