**District Comments:**                     The summer school English class is an extension of a qualified Hathaway class that a student has taken but failed. This class is not a stand-alone class that a student can choose for English credit. The combination of a semester Hathaway class and extended time during summer school which includes passing grades, attendance, and meeting certain proficiencies meets Hathaway success curriculum criteria.                    

**WDE Comments:**                     \*This course alone does not meet a year of Language Arts.
