District Comments:

The district added World Culture/Civilizations in 2007/2008 in all three high schools. The course is a combination of content of Geography and modern and ancient world history.

Ancient and Modern World History were semester electives offered prior to 2007/2008. They continue to be social studies electives. World Geography was a freshman level course offered up through 2006/2007.

WDE Comments:

*Students must take both the semester course Ancient World History and the semester course Modern World History to count as a year of Social Studies.
