District Comments:
 Meeteetse High School offers a Geography class that is open to all grades that addresses basic themes of Geography through a focused survey of "Geo-Political" hotspots such as the Middle East peace process, genocide in Rowanda, starvation and conflict in Darfir and a myriad of others. Though the class will be in geo-political context the class will have a strong geographical focus. Students will examine how physical geography, resources, climate, people, and culture, influence the regional and global issues.
