1501055	Powell High School	MATH 1400: College Algebra	x			x		Confirm

District Comments:	College Prep Math used to be our Senior Math Review and it is a preparation for college entrance level math courses. It reviews Algebraic principles, Geometric principles, and introduces them to some of the college principles for the beginning college courses.
	Standards Algebra is one half step below Algebra 1 and it is a concept builder for those that are planning on taking Algebra 1 but just don't have the background.
	Northwest College courses are considered year long content math courses for Hathaway. Students will receive both High School and College Credit.
	These courses could be taught on the high school campus or the college campus.
