District Comments: lards Math was a Course we used as a computer based curriculum (NOVA NET) which we no longer subscribe to. We are now using a different computer based curriculum know as Odyssey Under Odyssey Ware it would be a specific course such as Algebra I, II or Geometry  
 Freshmen will be given a placement test to determine whether they should be placed in Pre-Algebra or Algebra I.  
 Consumer Math was offered during the 2009-2010 School Year and again 2010-2011 AP Calculus being offered for one student in 2010-2011  
 ss/Fail High School Class in 2010/2011 school year. No Longer Dual Enrollment. We hope to offer Pre-Calculu and Calculus as Concurrent Enrollment with EWC in 2011/2012.

WDE Comments: Pre-Algebra was requested by Dan Brown on Friday Setember 9th. I checked with both Sally Sanders and Bill Herrera about the rigor of Pre-Algebra.  
 There is noting in the law that prohibits a distrcit to submit a lower-level math class as an additional math. Sean Moore 9/11/2008
