<b>District Comments:</b>	Lyman High School will be adopting new math textbooks and going away from Saxon. Our math sequence will be more traditional. Currently our students take in sequence: Algebra I, Algebra II, Advanced Math, Pre-Calculus and Calculus. Next year the sequence will be: Algebra I, Geometry, Algebra II, Pre-Calculus and Calculus. We will have students graduating for two years without a stand alone Geometry class following this transition. Geometry is now embedded in Algebra II.
