</tbody>
</table>

1 Per OSEP requirements, data from preceding year must be used for Indicators 1, 2, and 4.
2 Indicator 3C rates are based on students enrolled for a full academic year and students not enrolled for a full academic year.
3 Indicator 5 rates are based on students age 5-21.
4 Indicator 13 rate is the district's compliance percentage prior to correction.
^^ The state rate for 4A and 4B represents the percent of districts that had a significant discrepancy.
^ The state rate for 9 and 10 represents the percent of districts that had disproportionate representation.
X - The district rate is based on fewer than 10 students so the rate or target status cannot be printed.
