Sample Pacing of Episode 111

First and Second Grades

Week One:
• Show the video Episode 111 all the way through. (16 minutes)
• Show the video again using active viewing techniques. (20 minutes)
• Continue saying *hola* as your students enter the room and *hasta luego* as they leave as well as using as many other words as you and your students can use.
• Try two extension activities.

Week Two:
• Show the video once again using active viewing techniques. (20 minutes)
• Try two or more extension activities (25-40 minutes) or show video again, stopping to ask students to anticipate what comes next. (20 minutes)
• Continue using the Spanish numbers, greetings, and other focus vocabulary in your classroom.
• Check off student learning on the assessment.
Essential Activities:

1) Watch the SALSA series guide for Episode 111. Practice the focus words in preparation for introducing the episode to your students.

2) Show the SALSA video of Episode 110 to your class at least twice each week. (See the Teacher’s Manual for active viewing ideas to involve your students as they watch it the second time!) You may wish to break it up into segments, or show it in its entirety. (16 minutes)

Recommended pacing: three weeks per episode in Kindergarten; two weeks per episode in first and second grades. (See scope and sequence in the general guidelines and materials.)

Continue greeting your students with ¡Hola! each time they enter your classroom and saying goodbye with hasta luego. Add as many other Spanish words and expressions as you can to your regular activities.

Ideas for Expansion Activities:

Sample Lesson for Day 1: (Estimated time: 25 minutes)
The “index-card” script follows this section.

**SALSA Episode 111 - page 2**

| ¿Qué hay en la caja? | What’s in the box? |
| ¿Es una boca o una mano? | Is it a mouth or a hand? |

Ask students until someone guesses correctly. That player then becomes the leader and chooses an object to hide in the box and the game continues.

3. Hang vocabulary images on the board or line up along the chalk ledge. Ask the following questions, allowing students to either point to the images or to parts of their own faces if they are not comfortable saying the words.

   P: Son los dientes. These are the teeth.

   T: Point to an image and ask: ¿Qué son éstos? ¿Los ojos o los dientes?
   
   P: Son los dientes.

   T: Point to your mouth and ask: ¿Qué es esto? What is this?
   
   P: Es la boca.

4. Sing and play: *Tengo, tengo, tengo, tengo un cuerpo.* (Sung to *Itsy, Bitsy Spider.*) Use items representing *la boca, los ojos, la nariz.* Select a student and take him/her aside. Have the student choose one of the items and hide it in a box or bag. Go back to the rest of the class and sing *Tengo, tengo, tengo un cuerpo. Ojos, boca, nariz, ojos, boca, nariz.* (I have, I have, I have, I have a body. Eyes, mouth, nose, eyes, mouth, nose.) You or the child selects a student to guess the correct object. Answer must be given in Spanish. Change students and proceed as before.

**Pronunciation Hints:**

*Qué= Kay  
Hay=Like ay! ay! ay! (silent ‘h”)

Episode 111: Lesson 1, Caperucita Azul

See card with Warm-up dialogue.

Collect objects representing the focus vocabulary (los dientes, la nariz, los ojos, las manos, la cabeza). Review the words and put the objects out of sight. Students try to guess what is in the box. Ask:

¿Qué hay en la caja? Or What’s in la caja? (the box)
¿Es una boca o una mano? (Is it a mouth or a hand?)

Ask students until someone guesses correctly. That player then becomes the leader and chooses an object to hide in the box and the game continues.

Hang images on the board or line up along the chalk ledge. Ask the following questions:

(pointing to your teeth) ¿Qué son éstos? or What are they? ¿Los ojos o los dientes?
(pointing to the image) ¿Qué son éstos? or What are they? ¿Los ojos o los dientes?
(pointing to your mouth) ¿Qué es esto? or What is this?

Have a student choose the eyes, mouth or nose and hide it in a box or bag. Go back to the rest of the class and sing Tengo, tengo, tengo, tengo un cuerpo. Ojos, boca, nariz, ojos, boca, nariz. (I have, I have, I have, I have a body. Eyes, mouth, nose, eyes, mouth, nose.) You or the child selects a student to guess the correct object. Answer must be given in Spanish. Change students and proceed as before.
### Objectives for Day 2:
Student will indicate comprehension of Spanish words by:
- counting
- forming patterns using colors and differently sized objects

### Connections to other subject areas:
- Math- addition
- Math- patterns
- Art- drawing

### Materials needed:
- One large and one small hand of four colors for each student. (red, blue, green, yellow)

### Assessment:
Watch and listen as students indicate verbally or non-verbally their comprehension of the vocabulary and the concept of adding and making ABCD patterns. (See assessment for 111)

### Sample Lesson for Day 2: (Estimated time: 25 minutes)
As in the sample lesson for Day 1, an “index-card” script is included with the teacher materials for this episode.

1. Begin this lesson by showing your own hands and say *las manos*. Tell the students to do the following: *Levanten las manos*. (Raise your hands.) *Bajen las manos*. (Lower your hands.) Ask students to raise their hands again and then count the hands.

2. Demonstrate measuring with hands. Estimate and measure different large objects or furniture in classroom. Ask students to estimate how many hands are needed to measure different large objects or furniture in classroom and then measure. (*una mano, dos manos, tres manos, etc.*)

3. Give each student a large and small hand of the same color (*roja, verde, azul, amarilla*). Form ABCD patterns (large green, small green, large red, small red, large blue, small blue, large yellow, small yellow) requesting students to come forward with the appropriate color large and small hands.

4. Show your hands again and say *las manos*. Hand out drawing paper and have students trace their hand. Have the students pass their paper on to several other students, each one tracing their hand on the paper. When the paper is full of hands have the students say *las manos*. The hands can be colored and displayed on a bulletin board labeled *las manos*. (Students may also count the number of hands on their papers as a review of the numbers.)

### Review of Color Adjectives (Feminine Forms):

</tr>
<tr>
<td>Amarilla</td>
<td>Amarillas</td>
<td></td>
</tr>
<tr>
<td>Verde</td>
<td>Verdes</td>
<td></td>
</tr>
</tbody>
</table>

### Pronunciation Hints:

1) Levanten las manos:
   The accent generally is placed on the syllable just before the last syllable. Therefore, in the word levanten, the accent is on the *an*. Remember to pronounce the “a” as in the English “ah”!

   In the word manos, the accent is placed on the first syllable, ma. Again, remember to pronounce the “a” as “ah” (mah nos)

2) Bajen las manos:
The accent is on the first syllable, and the “j” is pronounced like an English “h,” so this word sounds somewhat like: Bah hen.
Episode 111: Lesson 2, *Caperucita Azul*

**See card with Warm-up dialogue.**

Show your own hands and say *las manos.* Then say:
- *[Levanten]* or raise *las manos.*
- *[Bajen]* or lower *las manos.*
- *Levanten las manos.* Count the hands with the students.

Estimate and measure different large objects or furniture in the classroom. Ask students to estimate how many hands are needed to measure different large objects and then measure. *Una mano, dos manos, tres manos, etc.*

Give each student a large and a small hand of the same color. (*rojo, verde, azul, amarillo*). Form ABCD patterns (large green, small green, large red, small red, large blue, small blue, large yellow, small yellow) requesting students to come forward with the appropriate color large and small hands.

*Grande y verde, pequeño y verde   grande y roja, pequeña y roja, etc.*

Show your hands again and say *las manos.* Hand out drawing paper and have students trace their hands. Have the students pass their papers on to several other students, each one tracing his or her hand on the paper. When the paper is full of hands have the students say *las manos.* The hands can be colored and displayed on a bulletin board labeled *las manos.*
Objectives for day 3:
Student will indicate comprehension of Spanish words by:
- indicating either verbally or non-verbally

Connections to other subject areas:
- Literacy
- Math- patterns

Materials needed:
- Big, little hands of the four colors
- Tic-tac-toe board with sticky notes marked with X’s and O’s

Assessment:
Observe the students for verbal or non-verbal indications of comprehension.
See assessments provided for this episode.

Correctives/Enrichments
See enclosed page.

Sample Lesson for Day 3: (Estimated time: 25 minutes)
As for the other sample lessons, an “index-card” script is included with this episode.

1. Pass out different colors and size hands to all students. Give the following TPR commands:

   Las manos azules, levántense. (All the blue hands stand up.)

   Las manos azules y pequeñas, siéntense. (All the small blue hands sit down.)

   Exchange colors (rojas, verdes, amarillas) and size (grandes).

   After about five minutes of movement collect the hands saying “Gracias” as you receive them from the children.

2. Review ABCD patterns using different colors and size hands. Ask students to supply focus word to complete the pattern. (verde grande, verde pequeña, roja grande, roja pequeña, azul grande, azul pequeña, amarilla grande, amarilla pequeña)

   (Adjectives have a feminine ending because of la mano. Example: la mano roja.

3. Make a “Tic-Tac-Toe” board out of poster board or tag board and attach nine envelopes, three across and three down. Make Xs and Os on self-adhesive notes. Make a copy of the vocabulary cards and cut them into individual cards, put a card in each envelope.

   Set up teams: one becomes the Xs and the other becomes the Os. A player from the starting team selects a vocabulary card from any envelope. If he or she correctly says the word or phrase corresponding to the card, the team receives an X or an O on the envelope. Play continues until one team has three of its symbols in a row—across, down, or diagonally.

Sample Lesson for Day 4: (Estimated time: 25 minutes)

As for the other sample lessons, an “index-card” script is included with this episode.

1. Bring in the basket of Caperucita Azul. Pick out objects from the basket (Ex: las papas fritas—french fries; la hamburguesa—hamburger; la sopa—soup; el pastel—cake, or chocolate) and begin by saying Me gusta las papas fritas. No me gusta la sopa. Then ask individual students ¿Te gusta o no te gusta? (Do you like it or don’t you like it?) Encourage students to say Me gusta or No me gusta.

2. Display objects of the same color, for example: la silla (the chair), la flor (the flower), el oso (the bear), la pelota (the ball). Tell the students Me gusta el color rojo. (azul, verde, amarillo) (I like the color red.) Ask students ¿Cuál color te gusta?(or Which color te gusta?) Rojo, verde, azul o amarillo. (Which color do you like? Red, green, blue or yellow.)

3. Included with this lesson guide is a black line master for a booklet for the students to complete and take home. The book is called Me Gusta el color __________. Distribute one book per student. Say ¿Cuál color te gusta? Rojo, verde, azul o amarillo. Coloreen el libro con los crayones. or Which color te gusta? Rojo, verde, azul, o amarillo. Color your books with crayons. Have them fill in the blank with their favorite color and then color each page. You can use this book to read together in class or they can pair up and share with a friend.

Correctives and Enrichments: Please see the expansion activities provided with this episode.

Pronunciation Hints:

Gusta = as goose-tah
Me gusta = as May goose-tah.
Cuál color = coo-ah!
Color (remember to pronounce the “o” as in “oh!”

Note:

Me gusta la sopa.
(literally- soup pleases me, so the verb is singular)

Me gustan las papas fritas.
(literally- french fries please me, so the verb is plural.)

<td><strong>TPR Hold Up Activity</strong>&lt;br&gt;Each student has in front of him or her pictures or images of objects in the vocabulary. Student touches or holds up the object named by the teacher. Teacher could also ask the students to hold up a color they like, then a color they don’t like. They could say <em>Me gusta el rojo</em> or <em>No me gusta el verde</em>, for example.</td>

<td><strong>Sense of the Sentence Game</strong>&lt;br&gt;For students who are beginning to make complete sentences, this activity can be a challenging and fun game. Take a sentence such as <em>Me gusta el rojo</em>. Cut the sentence into four pieces and give one part to four individual students. If they can’t read the words, whisper the word in each student’s ear. Then have them form the sentence by arranging themselves and saying the sentence. For enrichment.</td>
