Sample Pacing of Episode 114

First and Second Grades

Week One:
• Show the video Episode 114 all the way through. (16 minutes)
• Show the video again using active viewing techniques. (20 minutes)
• Continue saying hola as your students enter the room and hasta luego as they leave as well as using as many other words as you and your students can use.
• Try two extension activities.

Week Two:
• Show the video once again using active viewing techniques. (20 minutes)
• Try two or more extension activities (25-40 minutes) or show video again, stopping to ask students to anticipate what comes next. (20 minutes)
• Continue using the Spanish numbers, greetings, and other focus vocabulary in your classroom.
• Check off student learning on the assessment
**Essential Activities:**

1) Watch the SALSA series guide for Episode 114. Practice the focus words in preparation for introducing the episode to your students.

2) Show the SALSA video of Episode 114 to your class at least twice each week. (See below for active viewing ideas to involve your students as they watch it the second time!) You may wish to break it up into segments, or show it in its entirety. (16 minutes) Recommended pacing: three weeks per episode in Kindergarten; two weeks per episode in first and second grades. (See scope and sequence in the general guidelines and materials.)

Continue greeting your students with ¡Hola! each time they enter your classroom and saying goodbye with hasta luego. Add as many other Spanish words and expressions as you can to your regular activities.

**Ideas for Expansion Activities:**

**Sample Lesson for Day 1:** (Estimated time: 25 minutes)

The “index-card” script follows this section.

1. With a hand puppet model the following dialogue:
   
   **T:** Buenos días, (puppet’s name)  
   **P:** Buenos días, Señor/Señora/Señorita
   
   (or Buenas tardes, as appropriate.)
   
   **T:** ¿Cómo estás tú?  
   **P:** Muy mal.  
   **T:** ¡Qué lástima!
   
2. Set out pictures or objects on a table in the front of the room. See blackline masters included with this unit-- monster (el monstruo), pizza (la pizza), cheese (el queso), tomato (el tomate) and french fries (las papas fritas).
Objectives:
Students will be able to:
1. demonstrate verbally or non-verbally comprehension of the focus vocabulary.
2. indicate verbally or non-verbally comprehension and cultural awareness of:
   • Expressions of courtesy
   • Traditional Spanish music.

Correctives and Enrichments: Please see the expansion activities provided with this episode.

Assessment
Observe the students for verbal or non-verbal indications of comprehension. (See assessments provided.)

Materials Needed:
Pictures or objects representing the focus vocabulary words. (see black line masters)

3. Show the pizza (la pizza) to the class and say either la pizza if you know only the basic words, or, if you want to try more Spanish, Esta es la pizza. (This is the pizza.)

Ask students as a group to point to the pizza. Say Point to la pizza. or Señalen la pizza.

Ask individual students to touch the pizza. Say Touch la pizza. or Toca la pizza.

Repeat this sequence with the other objects: el monstruo (monster), el queso (cheese), el tomate (tomato) and las papas fritas (french fries).

4. Hang the pictures on the board. Review with the students what each item is: el monstruo, la pizza, el queso, el tomate and las papas fritas. Have the students close their eyes as you remove one of the pictures. Ask the students what is missing. ¿Qué falta? When the student guesses correctly allow that student to be the one to come up and remove the missing item as the rest of the class closes their eyes. Involve as many students as possible.

5. Ask a student to leave the classroom while you hide one of the items in the room. Ask the student to return to the classroom and find the item. Either give verbal instructions to help the student locate the item or use the words caliente/frío (hot/cold). Continue the game by rotating the items or hide more than one around the room, hiding as many as up to three as the students get better at the game. Tell the student how many items they must find or what they are looking for: el monstruo, el queso, el tomate, la pizza or las papas fritas.

Note: This might be a good time to review numbers in Spanish. The class counts as a student looks for the hidden object. As the student gets closer to the object, the rest of the class counts more loudly. As the student goes farther away from the object, the class counts more quietly. This game can be used to review all kinds of vocabulary.

Pronunciation Hints:
Me gusta= may goose-tah
No me gusta= no may goose-tah
El queso= Ell kay-sew
El tomate= Ell toe-mah-tay
Las papas fritas= Lahn papas free-tahs

Grammatical Note:
When you say that like a particular object or thing in Spanish, you say Me gusta el tomate. That means that you like this particular tomato.

When you say that you like something in general in Spanish, you say Me gustan los tomates. That means that you like tomatoes in general.

Note that the verb changes. This is because the sentence literally says “The tomato is pleasing to me” or The tomatoes are pleasing to me.”
**Warm-up Dialogue (Model with a puppet)**

Tell students to practice the puppet’s role so that eventually they can assume the role of the puppet.

**T:** *Buenos días, (puppet’s name).* (or *Buenas tardes, as appropriate.*)

Have students raise their hands when they hear the puppet’s name.

**P:** *Buenos días, Señor/Señora/Señorita ________.*

Have students raise their hands when they hear your name.

**T:** ¿Cómo estás tú?

**P:** *Muy mal.*

Puppet can cough, sneeze, moan or groan to show signs of not feeling good.

**T:** ¡Qué lástima! That’s too bad!

---

Sing *Buenos días* to the tune of Brother John

<td>Have the students point to the picture.</td>
</tr>
</tbody>
</table>

**Toca la pizza.**

Let a student touch the picture.

Repeat the sequence with the remaining words: **el monstruo, el queso, el tomate, las papas fritas.**

**¿Qué falta?** Play this game by hanging the pictures on the board. Tell the students to close their eyes. Remove one of the pictures and ask the students to open their eyes. Ask **¿Qué falta?** The child who guesses correctly can then take a turn removing an item and asking the class **¿Qué falta?**

**Escondidas (Hide-n-seek)** Choose a student to leave the classroom. Hide one of the pictures in the classroom. Ask the student to return to the room. As the child moves closer to the item say **caliente,** as they move farther away say **frío.** As the students get better at understanding **caliente/frío** increase the number of objects hidden in the room.
### Sample Lesson for Day 2: (Estimated time: 25 minutes)
As in the sample lesson for Day 1, an “index-card” script is included with the teacher materials for this episode.

1. Sing the song *Uno, Dos, Tres Chivitos* from Episode 113.

2. Obtain a pizza box and fill it with various ingredients used for making pizza (can be labels from canned products such as tomato sauce, mushrooms, etc.). Pick an item from the box and say *Me gustan los tomates.* (I like tomatoes.) *No me gustan los hongos.* (I don’t like mushrooms.)

3. Handout the blackline master labeled *Me gusta/ No me gusta.* Say *Me gusta la pizza con los tomates.* (I like pizza with tomatoes.) Select a student and ask them ¿*Te gusta la pizza con los tomates, sí o no?* (Do you like pizza with tomatoes, yes or no?) *No me gusta la pizza con los hongos.* (I don’t like pizza with mushrooms.) ¿*Te gusta la pizza con los hongos, sí o no?* (Do you like pizza with mushrooms, yes or no?) ¿*Te gusta o no te gusta la pizza?* (Do you like or don’t you like pizza?) Continue asking *Te gusta/ No te gusta* questions as you circulate around the room. Encourage students to say *Me gusta* or *No me gusta.* (I like it/ I don’t like it.)

4. Pair the students up and have them point to an item on the handout. Have the students ask their partner ¿*Te gusta o no te gusta?* (Do you like (it) or don’t you?) Some modeling may be required before engaging the students.

5. Cutout several circles representing three sizes of pizzas, *pequeña, mediana, grande.* Hold up a circle and say, ¿*Is this pizza pequeña or mediana?* Create patterns with the circles and have the students guess what is next on the pattern. (pequeña, pequeña, grande, grande, mediana, mediana, pequeña, pequeña, etc.) Have the students create their own patterns with the pizzas.

</tr>
</tbody>
</table>

Pick out labels (ingredients for a pizza) from a pizza box and say:

- **Me gustan los tomates.**
- **No me gustan los hongos.**

Note: with *la pizza*, you say **Me gusta (sing.)**

Follow the teacher directed sheet for using the handout for **Me gusta(n)/ No me gusta(n).**

Pair students together. Using the handout have students ask one another

- **¿Te gusta o no te gusta?** or they can simply ask **¿Te gusta?**

**Esta pizza es grande, ¿sí o no?** Use pizza circles to ask students about the different sizes **pequeña, mediana, and grande.** Use the same circles to create patterns **pequeña, pequeña, grande, grande, mediana, mediana, pequeña, pequeña, etc.** Ask students to help create new patterns.

Use the following commands when applicable:

- ¡Esperen! Wait!
- ¡Escuchen! Listen!
- ¡Silencio, por favor! Be quiet, please!
### Objectives for day 3:
Student will indicate comprehension of Spanish words by:
- indicating either verbally or non-verbally comprehension of the Spanish vocabulary words

### Sample Lesson for Day 3: (Estimated time: 25 minutes)
As for the other sample lessons, an “index-card” script is included with this episode.

1. To review the vocabulary from this lesson, show the students *el monstruo, la pizza, el queso, el tomate, las papas fritas*. Say, *Esta es la pizza, ¿sí o no?* (Is this the pizza, yes or no?) Repeat with the rest of the vocabulary. Then show an object and ask a student to choose the correct word. *¿Es el queso o el tomate?* (Is this the cheese or the tomato?) Involve as many students as possible.

2. Place large pictures of the vocabulary words in the center of a circle of students. Go around the circle and give each student (one student at a time) index card versions of the pictures in the center. Have the student match their card with one from the center. Ask for volunteers to tell you the name of the vocabulary word in Spanish. Ask *¿Qué es?* (What is it?)

3. Place pictures of three pizzas (*pequeña, mediana, grande*), monsters, tomatoes, goats and french fries face down in the center of the circle of the students. Turn over one picture, show it to the students, and ask a student to tell you what it is, *¿Qué es?* (What is it?) or *¿Es un monstruo o un chivo?* (Is this the monster or the goat?) Have the students show you more pictures, *Enséñame otro dibujo.* (Show me another picture.) Continue asking what each picture illustrates. When the same picture in a different size appears, put the two (or three) pictures together and describe the size of the object in the picture. *Es grande. Es pequeño/a. Es mediano/a.*

### Connections to other subject areas:
- Literacy

### Materials Needed:
- 3 objects or pictures of the vocabulary items (one small, one medium and one large object or picture)
- Index cards with pictures of focus vocabulary pasted on. Enough cards for each student to have one.

### Assessment:
Observe the students for verbal or non-verbal indications of comprehension. See assessments provided for this episode.

### Correctives/Enrichments
See enclosed page.

### Pronunciation Hint:
*Enséñame otro dibujo*=
Enn-senn-ya-may
Oh-troh Dee-boohoe
(Show me another object)
Episode 114: Lesson 3, Entrega Especial

See card with Warm-up dialogue.

Esta es la pizza, ¿sí o no?  Show a picture of pizza.

¿Es el queso o el tomate?  Show a picture of a tomato.

Repeat the above sequence with all of the vocabulary el monstruo, la pizza, el queso, el tomate, las papas fritas.

Place large pictures of the vocabulary words in the center of a circle of students. Go around the circle and give each student (one student at a time) index card versions of the pictures in the center. Have the student match their card with the one in the center. Ask for volunteers to tell you the name of the vocabulary word in Spanish. Ask ¿Qué es? (What is it?)

Place pictures of three pizzas (pequeña, mediana, grande), monsters, tomatoes, goats and french fries face down in the center of the circle of the students. Turn over one picture, show it to the students, and ask a student to tell you what it is, ¿Qué es? or ¿Es un monstruo o un chivo? Have the students show you more pictures, Enséñame otro dibujo. Continue asking what each picture illustrates. When the same picture in a different size appears, put the two (or three) pictures together and describe the size of the object in the picture. Es grande. Es pequeño/a. Es mediano/a.
Objectives for day 4:
Student will indicate comprehension of Spanish words by following TPR commands and by naming objects.

Connections to other subject areas:
- Literacy
- Math- Ven Diagrams
- Math- counting

Materials Needed:
- Pictures of the vocabulary items (la pizza, la hamburguesa, las papas fritas)
- Enough post-it-notes for each student to have three

Assessment:
Watch the students as they demonstrate comprehension of the vocabulary. (See assessments provided with this unit.)

Correctives and Enrichments: Please see the expansion activities provided with this episode.

Sample Lesson for Day 4: (Estimated time: 25 minutes)
As for the other sample lessons, an “index-card” script is included with this episode.

1. Set out pictures of la pizza, la hamburguesa (hamburger), las papas fritas (french fries). Give some TPR commands to the students to point to or touch the different pictures. **Toca la pizza. Señalen la hamburguesa.**

2. Draw three circles on butcher paper or on the board. Label one circle la pizza, the second la hamburguesa, and the third circle las papas fritas. Distribute three post-it-notes to each student and have the students write their names on the paper. Ask the students who likes pizza. **¿Quién le gusta la pizza?** Have the students that like pizza come and stick their name in the pizza circle. Count the number of names in each circle. Do the same with the other circles.

3. If the class can sort by two attributes, change the circles to form a Venn Diagram. Place a sign that says LA PIZZA at the top of the circle on the left and a sign that says LA HAMBURGUESA at the top of the circle on the right. Have the children place the post-it-notes in the correct circle or in the center if they like both pizza and hamburgers.

Final Assessment - If you have not already done so, check off student learning on the assessment sheets.

Suggested web sites:
- Check the official SALSA web site for their activities. [http://www.gpb.org/peachstar/salssa](http://www.gpb.org/peachstar/salssa)
- If you have children whose first language is Spanish, check out the following web site. [http://www.YESICANKIDS.gov](http://www.YESICANKIDS.gov). You can stay in English, or, for Spanish speakers, click español. They have a number of fairy tales for children.
- The National Geographic Society has granted free access to its online magazine index at [http://www.nationalgeographic.com/publications/explore.html](http://www.nationalgeographic.com/publications/explore.html). The site also has indexes for their children’s magazines.

| 5-10 | 1-2   | 2     | **Incorrect Sentence Activity**  
Teacher reads a sentence while pointing to the wrong vocabulary word, *e.g.* pizza ingredients. Students may either say the correct word or indicate the correctness by thumbs up, thumbs down. Ex. Teacher: *Es el tomate, ¿si o no?*  
Students: *No es el tomate, es el pimiento verde.* (or thumbs up, down) | Black line masters of focus vocabulary. |
| 10-15| 1-2   | 3     | **Vocabulary Card Game**  
Bring photocopied sets of “cards” with vocabulary objects on them. Students use as a card game, stating which objects or colors they have. For example, ‘*“Tengo la cabeza, los dientes y un circulo rojo.”* This has many variations once the cards are made. | Photocopied “cards” of vocabulary words. |
| 5-10 | 1     | 2     | **Sorting Activity for Students Who Are Beginning to Recognize Some Spanish Words in Print**  
Cards with the Spanish words (not objects) for numbers 1-6, pizza ingredients, and other vocab the students know orally are placed on a table for all to see. On the board or on poster board are three category headings: Numbers,,Ingredients, etc. Students working in teams, or individually, select a word card and place it in its proper category. The rules may be tailored to the students and situation-from a cooperative group activity to a competition among groups. | Index cards with the Spanish words written on them. (ingredients, numbers, simple sentences, such as *Me gusta la pizza.* *No me gusta los hongos,* for example) |
