TERRY BISON RANCH MAP

Terry Bison Ranch is located just 7 miles south of Cheyenne off I-25. The 27,500 acre ranch is home to approximately 2500 head of American Bison. The ranch began raising bison in 1993, and now offers trail rides, bison train tours, ATV tours, fishing, a trading post, RV camping, cabins, and more. The Senator's restaurant was featured on Food Network with chef Bobby Flay, and is known for its buffalo steaks and burgers.

Visitors are advised to wear comfortable footwear, as some of the parking lots are paved with gravel.
