

Science Standards Review Committee Agenda
 Friday, February 5—Saturday, February 6, 2016
 Hathaway Building (1 block south of the capitol bldg.)
 2300 Capitol Ave., Cheyenne, WY 82002
Basement – Room B24

Purpose: To finalize the review and revision of the Wyoming Science Content & Performance Standards

Desired Outcomes: Recommendation to the Wyoming State Board of Education a set of science standards for adoption, to include:

- A set of standards with rigorous content and knowledge application preparing students for the 21st century
- Standards that can be internationally benchmarked to prepare students for success in a global society and economy
- Standards aligned with college and career expectations
- Standards that will help articulate to parents, teachers, and the general public, expectations for students to be college and workforce ready
