SUBJECT: 2016 Roadmap to STEM Conference Registration

2016 ROADMAP TO STEM CONFERENCE REGISTRATION OPEN

The Wyoming Department of Education (WDE) is extending invitations to the third annual Roadmap to STEM Conference on August 1-3 at Western Wyoming Community College in Rock Springs. This conference provides practical information about Science, Technology, Engineering, and Math (STEM) program implementation to pK-16 educators, administrators, curriculum coordinators, afterschool providers, and other professional educators.

Conference attendees will engage in hands-on experiences that will prepare them to incorporate STEM principles, lessons, activities and ideas into their learning environments. Join in to discover the natural wonders, STEM programs and industries, and historical landmarks of Southwest Wyoming. Get ready for a three-day adventure packed with experiential learning opportunities!

Attendees have the option to earn PTSB credit, University of Wyoming graduate credit, or STARS credits. The conference registration fee is \$50.00 for in-state attendees, and \$150.00 for out-of-state attendees.

For more details, and to register for the conference, click [here](#).
