MEMORANDUM NO. 2016-077

TO: School District Superintendents
Title I Coordinators
Consolidated Grant Managers
School Principals

FROM: Brent Bacon, Chief Academic Officer

DATE: May 9, 2016

SUBJECT: Title I School Improvement Transition Plan for 2016-17

TITLE I SCHOOL IMPROVEMENT TRANSITION PLAN FOR 2016-17 SCHOOL YEAR

The Title I School Improvement Transition Plan for 2016-17 has been posted to the WDE's "[Title I LEA / School Improvement Resources](#)" website. Since Choice and SES will no longer be required, this guidance document outlines the requirements for Wyoming Title I schools as we focus efforts on improving the overall quality of intervention and enrichment frameworks, such as Multi-Tier System of Supports (MTSS), for all students who are off-track academically. Low-income students who are on-track academically (ie, not identified for remediation or enrichment programs) will also be allowed to opt-in to these intervention programs offered in all Title I schools.

Additional information regarding monitoring and the requirements from No Child Left Behind (NCLB) that will remain in effect during the transition year are also included.

For more information, please contact Scott Bullock, Title I School Improvement Manager, at 307-777-6260 or scott.bullock1@wyo.gov.
