## Benchmark Modules: ELA Grade 9

| Test Name                                                      | What This Test Measures                                                                                                                                                                                                                     | Form Name | Number of Items |
|----------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-----------------|
| <b>Benchmark Module:</b> ELA Grade 9<br>–Reading Informational | This test measures a student’s ability to determine key ideas and details, examine craft and structure, and integrate knowledge and ideas in grade-appropriate informational passages.                                                      | A         | 23              |
|                                                                |                                                                                                                                                                                                                                             | B         | 22              |
| <b>Benchmark Module:</b> ELA Grade 9<br>–Reading Literature    | This test measures a student’s ability to determine key ideas and details, examine craft and structure, and integrate knowledge and ideas in grade-appropriate literature passages.                                                         | A         | 21              |
|                                                                |                                                                                                                                                                                                                                             | B         | 21              |
| <b>Benchmark Module:</b> ELA Grade 9<br>–Editing*              | This test measures a student’s ability to demonstrate command of the conventions of standard English in grade-appropriate writing.                                                                                                          | A         | 7               |
|                                                                |                                                                                                                                                                                                                                             | B         | 8               |
| <b>Benchmark Module:</b> ELA Grade 9<br>–Listening             | This test measures a student’s ability to integrate and evaluate information presented in diverse, grade-appropriate media and formats and evaluate a speaker’s point of view, reasoning, and use of evidence/rhetoric.                     | A         | 11              |
| <b>Benchmark Module:</b> Writing Grade 9<br>–Informative       | This test measures a student’s ability to write informative/explanatory texts to examine and convey complex ideas, concepts, and information clearly and accurately through the effective selection, organization, and analysis of content. | A         | 1 prompt        |
| <b>Benchmark Module:</b> Writing Grade 9<br>–Argumentative     | This test measures a student’s ability to write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence.                                                      | A         | 1 prompt        |

**\*Note:** All editing task sets contain five errors. Each form contains two sets for a total of 10 errors. Paragraphs with multiple errors count as one item with 2 points for scoring purposes.

The table is designed to provide information about the content of each benchmark modular assessment **by grade and subject**. In the above table, you will find the name of the benchmark module, a brief description of the skills the module assesses, the names of each test form (e.g., A, B, C, etc.), and the number of test items on each form.
