

# WYCOLA

## WYOMING COACHING LABORATORY

This project aims to improve teaching at all levels through improved instructional coaching in Wyoming schools, to strengthen the partnership between UW and Wyoming schools, and to develop a model program for continued partnership and professional development.

### GOALS

- Improve teaching at all levels
- Pursue increased outreach and a preeminent program for developing instructional coaching
  - Enhance partnerships with UW, community colleges and school districts

### BENEFITS

- Participants will define core aspects of instructional practice
- Participants will explore critical aspects of coaching practice
  - Increased communication between UW and partner districts

### LOGISTICS

- 2 Week Intensive PD experience
- Incorporates learning for coaches, pre-service teachers, and students

TIME	Activity
